

## **TRIBAL SUB PLAN**

The Main Objective of this programme is to help – poor scheduled caste /Tribal families. In order to cater their medical needs, Govt. have established the following dispensaries to provide medical facilities to the Tribal population especially living in remote areas.

- 1.Thoradipattu in Villupuram District
- 2.Melnilavur in Villupuram District
- 3.Kariyakoil in Salem District
- 4.Sembulichampatti in Trichy District

Doctors and Paramedical staffs are posted here to attend to the immediate needs of tribal people. Adequate essential medical needs are also fulfilled uninterruptedly to cater the needs of these people.

108 and Mobile Medical Units (under control of DPH) are also extending their services to the people at needy times.

Minor Ailments are treated through these services and for Major Ailments they are being referred to the nearest PHC/Medical colleges/Hospitals for treatment if required.
